Using Math to Juggle? - Juggling Experiments | HowStuffWorks Jugglers write site-swaps as a series of numerals representing how many beats each toss will take from throw to catch, which translates into how high each throw must be made in the pattern. Jugglers notate a normal three-ball cascade as 333, since each throw takes three beats.

The "Maths is" Jugglers - Home Problem: Students enjoyed working with The 'Maths is...' Jugglers texts so much that parents complained that they were doing much more maths than had been set for homework and not leaving enough time for other homework. Solution: Students were told that they should complete their other set homework before doing their maths.
